## DE-FACED BLAKE

Readers may have noticed a certain patchiness in the type of our fall issue, the unfortunate but unavoidable result of having some articles set in Albuquerque and some in Rochester. The patchiness will continue until all articles set in New Mexico have been published, perhaps as late as the summer and fall issues next year.

## CALL FOR PLAYS

Actors Theatre of Louisville is now conducting a nationwide search for unpublished translations and adaptations of plays for next season's (1987-88) Classics in Context Festival—"The Romantics," which will celebrate the ideals and influence of Romanticism on the stage. Though plays by any dramatist whose work is associated with Romanticism will be considered, plays by Johann Wolfgang von Goethe, Friedrich Schiller, Ludwig Tieck, Alexander Pushkin, and Michael Lermontov are of particular interest. New plays (either original or adaptations of novels) that deal with the people, ideas, and events connected with Romanticism will also be considered. Please submit plays by 1 November 1987 to Actors Theatre of Louisville, Literary Department, 316 West Main Street, Louisville, KY 40202.
