The Golgonooza Organ #1 by Aetheldred Eldridge. R. R. #1, Millfield, Ohio, 1970. 16 pp. + 2 inserts. "Published . . . no fewer than four times during the liminary course that makes of substance by the use of birdlime an adhesive year . . . . Five dollars divested brings, in so many words, The deterged ear out of Golgonooza."

As Mr. Eldridge kindly invites us to quote from the pamphlet, we reproduce below the opening of Golgonooza Organ:

GOLGONOOZA ORGAN

Drilling, no eye hath prepared this thing: no heart in learning
Hath daily inclined; no hands hath taken up the measure of
The doing -- and none but new creatures need apply.

Citizens—citizens of Golgonooza, Spiritual Fourfold London!
Latched string exprousers round the shacy walls of Blake’s
Betrothal! Bowlahool a surrounds us: the law sterCorous. I vie
Reduced within the time it takes a single archer kneeled to
Strike through generations along the worm of Merlin. I am the
Utmost dawning phonetic bid by the space of a Fool’s uncertain
Days; and hid in lengthening night’s conjecture over mis-read
Jars. There is no new dust in which sinners may perform. Nor
Blindly shall the sentry when the tree shall be uprooted fall
To American heroes.

People obtaining discomfiture from air beneath their hats
Have pointed me out. You! And yours; by courtesy of bodily
Sickened eye appalled by one so lustrous small of flesh.
How in woven jaws of periléd, hardening cradle grass the cock
Holds back the rose of feund breathing clouds: in this, blending
Attar of brass to rose and patina of place, I anticipate you in
Whom the wake of presumed men confuses historicity with tarnish
On the dawn. And, I have gone hovered in resplendents off the
True circulating men, further, by the flour of northern altering
Light.

Assyriologist, lard faded thaumaturgist, works his white, exquisite
Dot everywhere. Gods and dwellings, goddesses, art built unpollished
Of the noble, life exerting ilk; stamped, as it might appear, by
Wearied intellect from building downward driven daughters: whose
Doors are unbolted by sensoires recruited, brooded by the best
Wild-parrot, clanish cog advisement.

Draw near, last mentioned Londoners. First, the voice filled human
Whirpool; then, the crack of some immense constrivance falling; then,
Surrounded features silenced on the Man resuming; then, three lines
Are lepped, pregnant stem solidities, sub teeming very-molecules.
Then, tears wiped, delight repeats in limbs that follow out beyond
The reach within the riven skull.

The bitter thing that loweth thee is dumbness beckoning all blades,
Straining the capaciousness of the beetle within the blade that
Wanders as it bends. Mothers are filling with oil: the doing of
The heart’s repose on gentle, silent teeth.

As for the stunt of weakened goddesses, since when has poetry,
Since once it was revealed, or shone, brought barbed the child’s
Swift diffusion? Or brought evoked upon a quantity of food
The loudness of the rose mid-drifted, ravelled within the dragon?
Nor has it been made visible that latitudes of consciousness,
Ineut around the heart sprinkled forth, are edible.

A warning: No god, of those remains shown on the dagger turning
Simple wrath within the worm, should be sniffed from the flint.

Funerary table past acquaintance is no cause for paramony’s
Being held the helmsmeet turning hawk in blue and ripening
Fruit that boundaries the sun. Send miners. Yourself to send,
Diggir in the groin of a moath, is, by solemn, yellowed, nibbled
Fright of day, needless. To a canary’s poppy laboured sleep of
Wandered field belongs the thick, aurific tag of elephant costiveness.

Risk not in me, teetotum teaspoon pictograph, your toxic body
Snatch technique: about which dew-knit gripping clothes are bound.
Excepting Anglicized exempting paraphrases resolving wax in sound,
The pathetic human dragon is a pig impersonating joints tripartite.
And further, is a prodigal of gaggles, and a broader to a poke of
Hens—excepting naked beauty on the Angle who solitary synonymic
Translate rustling into solar second joyous gear.

Hear Ye, Londoners! The groan that voices absence, death, and the
Transport of angels as the carriage of germs is a breach of
Etiquette.

Puisant in the crouch of one demeanour was the word that walked
In likeness of a Man. Send the speel speed dorsal waters of His
Word, imbricated safe corrosive, to the raven’s tedium tor. Unstruggle
Mountain maladjustments from the sister epicene retreat. Tedium.
Tedium, tedium. We praise Thee scattered, O remotely middened God.
Te Deum. Te Deum grass remembered men re-told. Te fibered Deum
Cherished victim. Invincible Te levelled laboured Deum.

PIERRE BOUTANG'S WILLIAM BLAKE

Professor André Le Vot of the Faculté des Lettres et Sciences Humaines, Université de Paris, sends us two newspaper articles concerning a new French translation and commentary on Blake by Pierre Boutang. We reprint them in full, with thanks to Prof. Lee Johnson of the University of New Mexico for his translations:

Between Holderlin and Nietzsche

William Blake, by Pierre Boutang*

At the same time a commentary, a text, and a translation of the work of William Blake, Pierre Boutang's book will rapidly become an indispensable work with regard to its principal subject, stimulating in its explications, even provoking, because the manner of the author is so incisive and controversial.

Besides his uncommon qualities as a writer, there is the added interest of Boutang's reflection on the diverse philosophical, religious, and literary ideas which
