Dissertations on Blake: 1963-1975

By Rochelle C. Gross and C. M. Henning*

This bibliography deals with all doctoral dissertations concerning Blake and his work between the years 1964-74 and part of 1975. Entries are taken from the Fine Arts, Music, Religious Studies, and Language and Literature sections of *Dissertation Abstracts* and *Dissertation Abstracts International*, 1964-1976. All the information for ordering any dissertation directly from this bibliography is given below with each entry, except in rare cases in which it must be ordered directly from the University. In these cases, of course, no Xerox order number is given. The list is arranged chronologically by the date of the dissertation, and alphabetically within each year.
