PREFACE

The Handlist was compiled by Mr. Richard Morgan of the staff of the Department of Prints and Drawings, working largely from a list of press-marks (under subject headings such as those at the beginning of Part 1, e.g., 'Engravings by Blake') without title, supplemented by references chiefly to Binyon and Russell. I have identified prints and drawings with information beyond what is given in Binyon and Russell* and amplified descriptions such as 'Figure studies'. In general picture titles in quotation marks are Blake's own, e.g., '"How I pity"' written on the design, or contemporary with him, such as '"The Fertilization of Egypt"'; picture 'titles' in lower case letters, such as 'A female figure walking', are modern descriptions rather than titles.

The Handlist is presented here with the assistance of Mr. Reginald Williams and with the permission of the Keeper of the Department of Prints and Drawings.

Those who have studied the collection of works by Blake in the past will recognize that this Handlist greatly simplifies and expedites the identification and tracing of Blake's works.

Awake! Awake Jerusalem! O lovely Egomation of Albion
Awake and overspread all Nations as in Ancient Time
For lo! the Night of Death is past and the Eternal Day
Appears upon our Hills. Awake Jerusalem and come away
So speak the Vision of Albion & in him spake in my hearing
The Universal Father. Then Albion stretched his hands to the Inhabitacle
And took his Bow. Fourfold is the Vision for bright beams in Urien
Layd his hand on the South & took a breathing Bow of Carved Gold
Layd his hand streched to the East & bore the Silver Bow bright shining
Thomas Westward a Bow of Brass pure flaming ruddy in bright
Orthona Northward in thick storms a Bow of Iron terrible thundersing
And the Bow is a Male & Female & the Quiver of the Arrows of Love
Are the Children of the Bow. Bow of the Sons of Loving-kindness laying
Open the hidden Mystery. We see the mutual Benevolence Wits of Love
And the spirit of Man grasps firm between the Male & Female Loves
And he clothed himself in Bow & Arrows in awful state Fourfold
in the midst of his Twenty-eight Cities each with his Bow breathing
